

EVO Pizza

(East Montague Avenue at Park Circle)

The guys of EVO Pizza are turning out their thin-crust, made-to-order, brick-oven pizzas on a reliable schedule now, to their fans' delight. Their previous work at FIG and Normandy Farms makes for perfect crusts, fabulous sauces, and a great assortment of gourmet toppings. They're making the most of spring, appearing nearly every day at farmer's markets from Kiawah to Mt. Pleasant. They're great for parties too—for \$12 per person, they'll bring their portable wood-fired oven to your house and turn out pizzas to order for hours. Find them at Coffee & Cream on Wednesdays, as well as various farmer's markets. See www.evopizza.com for a full schedule.
